WEST VIRGINIA BULLETIN NO: WV300-7-10

SUBJECT: April Open Obligations Audit Lists for Farm Bill Programs

Purpose: To distribute updated lists that were sent in error from NHQ on April Open Obligations and to extend the due date.

Expiration Date: This bulletin expires September 30, 2007

Action Required By: April 23 2007

Attached are revised spreadsheets showing the April Open Obligations audit lists for Farm Bill Programs. NHQ, in error, sent a report showing all the ProTracts obligations, instead of a sample. Please discard the attachments with WV Bulletin [WV300-7-9](#) and replace with the attachments below.

Refer to WV Bulletin [WV300-7-9](#) for all instructions and guidance in completing FO and ASTC-FO responsibilities.

Due to this error we are extending the due date to April 23, 2007.

Contact your ASTC-FO with questions about transmitting files to the Area Office.
